

DINNER GUESTS
Mr. and Mrs. Fred O. Bacon and children, Walter and Joan, with their houseguest, Mervin Bacon of Sheridan, Iowa, were recent dinner guests of Mr. and Mrs. Jack Nolan.

ENTERTAINMENT GUESTS
Sunday guests of Mr. and Mrs. Dean L. Sears were Mrs. Maude Caldwell and Maxine of Santa Monica, and Mrs. Virgil Huskisson of Banning.

San Pedro Cleric to Speak Here

Rev. Dennis Delicate, who is in charge of the Seaman's Institute at San Pedro, will conduct the Holy Communion service Sunday morning at St. Andrew's Episcopal church. The resident pastor, Rev. Paul M. Wheeler, is at Idyllwild serving as assistant dean of Camp Stevens. The church school will meet at 9:30 a.m., in charge of Robert Lessing.

Camp Stevens is the Episcopal summer camp for young people of the Diocese of Los Angeles. Twenty-five from the local church are attending.

ENJOY OUTING
Mr. and Mrs. Ralph A. Andersen and son, Denny, spent several days last week at Big Bear. This week they are entertaining at their houseguest her mother, Mrs. George Noonan of Huntington Beach.

RETURNS EAST
Mrs. Norma Honig, who has been visiting at the home of Mr. and Mrs. J. E. Livormore this week returned to her home at Brooklyn, N.Y.

Penney Stores Start War Bond Drive Campaign

Today marks the opening of a nation-wide War Bond and Stamp sales drive in 1610 J. C. Penney Co. department stores throughout the country. As a send-off to the campaign, Secretary of the Treasury Henry J. Morgenthau, Jr., prepared a message of congratulation and good wishes addressed to every Penney employee.

This is the second time the Penney company has been recognized in this way. At the conclusion of Penney's \$8,422,553.85 July Bond drive last year, Secretary Morgenthau accorded the Penney company his personal congratulations. Penney employees, determined that the Treasury department will again find their July sales of War Bonds and Stamps worthy of attention, start off this July with sales of at least \$10,000,000 as their goal.

The Penney company's Bond drive this month, like that last year, takes the form of a sales contest in which all employees and all stores of the chain compete for state and national awards. In every Penney store, War Bonds are promoted as "July's Best Buy!" This week, Penney store windows from coast to coast stress the fighting ships that War Bonds buy.

Plans for the Bond drive at the local Penney store, 1621 Sartori ave., include a contest among the employees to compete for state and national awards. In every Penney store, War Bonds are promoted as "July's Best Buy!" This week, Penney store windows from coast to coast stress the fighting ships that War Bonds buy.

Credit to Youth

JOSEPH C. DARIES

Despite the reams of publicity given to youth delinquency and the cries of ever-increasing immorality among young people, the fact remains that the great majority of the coming generation is generally well-behaved and a credit to parents and teachers.

Take a look at the husky young fellow above. He is Joseph C. Daries, 13, son of Mr. and Mrs. Roma Daries, former residents of Torrance who lived here for 20 years until they recently moved to Gardena. Joe is a typical boy yet he won the Knights of Columbus medal for Christian Doctrine and a year's scholarship at Mt. Carmel high school when he was graduated recently at St. James Parochial school in Redondo Beach.

Keefe Given Third Award

Capt. William Keefe, who won fame as pilot of "Liberty Lad" in action over Africa and over Germany, has again been awarded a decoration, the second Oak Leaf Cluster to his Air Medal.

Capt. Keefe, son of Mr. and Mrs. Keefe of Torrance, has lived an exciting life since his graduation from Torrance high school in 1937. He attended Compton Junior college with an idea of preparing himself for a pilot, and enlisted in the Air Corps in July, 1941.

In February, 1942, he won his wings at Luke Field, Ariz. Christmas found him attacking Italian bases in Africa. Then he went back to England for a number of raids on German-occupied Europe.

Recently he was home on leave, with the Distinguished Flying Cross, Air Medal and Oak Leaf Cluster. At present he is at an Arizona base awaiting orders.

Job Service Sets Up Farm Labor Office in Gardena

Recruiting and placing of farm workers in the Torrance area has been transferred from the United States Employment Service to the Agricultural Extension Service, it was announced today by Edwin J. Puhols, Torrance manager of the U.S.E.S. Service to farmers and farm workers formerly provided by this office will henceforth be provided at a new farm labor office being established at 1621 South Vermont ave., Gardena, according to Kenneth M. Smoyer, assistant county farm agent.

The new farm labor office, headed by Mrs. Olive Thomas, farm labor field assistant, will serve not only Gardena but also the Torrance, Lomita, Redondo Beach, and Hermosa Beach areas, which in the past have been served by the Torrance U.S.E.S. office. The telephone number of the new office is Menlo 4-2260.

Transfer of farm labor service is to become general throughout California by July 1, under an agreement reached by the War Manpower Commission and the Agricultural Extension Service. Packing, canning and processing of foods, those activities associated with agriculture which are covered by the State Unemployment Insurance act, will continue under the local U.S.E.S. office.

Certificates Not Required
Service to non-farm workers and employers, including administration of the labor stabilization plan, will also continue to be maintained by the local U.S.E.S. Puhols said. However, due to the high priority given people wishing to work on farms, availability certificates will not be required for such work.

"The United States Employment Service is grateful to the farmers of this area for their past cooperation and it has been a pleasure to work with them and to serve them," Puhols said. "Officials and teachers at Torrance high school in particular, have been very helpful and cooperative with us in helping to solve the farm labor shortage in the past year."

College Enrollment Decrease Reported

Reduction of college enrollment due to the war is much greater in California than elsewhere, according to the state department of education, perhaps because of the number of war industries in the state.

California public universities lost 21.2 per cent of their full-time student enrollment between 1941 and 1942, while the loss for public universities in the nation as a whole was only 10 per cent.

13 Patients Enter Hospital

Thirteen patients entered Torrance Memorial hospital during the past week. They were: Mrs. Vicky Diederich, Manhattan Beach, Monday for surgery; Mrs. Grace Franklin, Lomita, Sunday for surgery; Mrs. Frances A. Hodges, Lomita, Sunday for surgery; Ray F. Hiett, 4329 Engracia ave., Sunday for medical care, and Mrs. Dorothy King, Gardena, Tuesday for surgery.

Burton Lee, Long Beach, Monday for medical care; James A. McVay, Harbor City, Friday for surgery; Mrs. Virginia McGlothlin, 2014 Torrance Blvd., last Wednesday for surgery; Mrs. Luella Oliver, Lomita, Thursday for medical care; Mrs. Inez Patton, Redondo, last Wednesday for surgery; Roman M. Perez, Los Angeles, last Wednesday for surgery; Ollis K. Prickett, 2259-B Carson st., Monday for surgery, and Mrs. Pauline Quick, Wilmington, Monday for surgery.

AT SANTA ANA
Mrs. Forrest McKinley spent the weekend at Santa Ana visiting friends.

AT CRESTLINE
Mrs. W. H. Rojo and daughter, Pat, left last week for Crestline where they will spend the summer. They were accompanied by Miss Pat Lanning, who will be their guest for a week.

Remodel Your Home for Extra Income!

F.H.A. Title I-B loans up to \$5,000 are now available to convert existing properties to provide additional units for rental to war workers.

These conversion loans may be obtained whether or not the property now has an F. H. A. loan, or is otherwise mortgaged.

Mexicans Ask Aid in Cleaning Ball Diamond

While Torrance is pondering the youth problem and youth delinquency, Mexicans living in the Pueblo section have a solution to offer for recreation needs for their youth.

Pointing out that many residents of the Pueblo own their homes and pay taxes, the group, headed by Manuel Alvarez, 2219 1/2 West 203rd st., is asking help in getting a baseball diamond smoothed off.

Several years ago the team played in Torrance city park and at that time bought their own equipment. Then, they claim, they were denied the use of the park while an outside team was given the use of it.

Petitions No Avail

Recently the Pueblo group secured permission from Thomas J. Nestor, developer of the Pueblo tract, to use a large vacant field there for a baseball diamond. Nestor's recent death will not interfere with the permission granted, they say, as the manager of the Nestor properties is willing to let them have the use of the land.

But so far, petitions to the city council to level the land have been without result, according to Alvarez. He says the colony intends to take the matter up with the Rev. Paul M. Wheeler, chairman of the youth committee.

Power for the Press

★ The office boy, jaunty and energetic as the new day, flips an electric switch and the teletypes begin their measured clatter. All day long their motors will hum, moving the keys that type out methodically the news of the wide world on endless rolls of paper.

The copy goes to the telegraph desk, to the composing room and then to the presses where cold type lays alive on the printed page of your newspaper—news of the war under eight column banner lines, news of the Nation's capital, news from an army training center or a navy station where perhaps your man is serving.

Electricity brings the news, and prints it. The great metropolitan papers, with edition after edition rolling endlessly from their presses, and your intimate, friendly home town paper, rely on their electrical service to get the news to you.

Edison power service is a staunch ally of your newspaper publishers.

Waste in war is a crime... Do not waste electricity just because it is not rationed

Southern California Edison Company Ltd.
